

Running Belt Identification Sheet

High quality belts manufactured to match and in many cases outperform the original belts supplied by the original equipment manufacturer.

We have up to 8 Belt options per Treadmill based on price, material type and waxed or non-waxed versions. We would like to think we have a running belt for every possible machine for every possible customer.

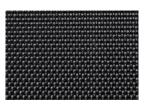

The Running Belt surface is important to a lot of customers here are some examples of options you have. If you have any question regarding quality, material or pricing options, or need to confirm the belt you require is suitable for your machine contact our Sales Department and we will be happy to Help.

Grey inverted oval profile 'non-lubricated'
- E.g. LifeFitness Classics, Quinton

Black Wave Grip Profile eg, Power Jog

Black Inverted Profile
Pre-Lube eg TecGym-Precor

Black Sand Blast Profile eg, LifeFitness StarTrac Cybex
